

Declaration of consent

Dear doctoral students,

Leibniz Universität Hannover has established a university-wide Graduate Academy with the aim of providing scientists and academics with excellent research contexts as well as a creative and efficient environment while working on the doctorate. As a central coordination and service body, the Graduate Academy offers to doctoral students consulting services, training courses and funding programs.

In order to inform you about the services offered by the Graduate Academy and to even expand the services according to your needs, we would like to ask you give us your consent to:

- Entry into the subscription list for the Graduate Academy Newsletter

The Graduate Academy Newsletter gives news from the field of young researchers inform, informs about current events, training courses and funding programs offered by the Graduate Academy.

I hereby consent to my e-mail-address being entered to the subscription list for the Graduate Academy Newsletter:

yes no

- Participation in the doctoral students' survey "ProFile"

In order to receive more information about the satisfaction regarding the conditions for doctoral research and the needs of the doctoral students, Leibniz Universität Hannover has commissioned the Institut für Forschungsinformation und Qualitätssicherung (iFQ) to conduct an accompanying, multistage survey among doctoral students. For the invitation to participate in this survey, the iFQ ask you at the beginning of your doctorate for your first name, surname, sex, scientific discipline and e-mail-address. The iFQ will keep your personal data confidential. The institute will analyze the data and publish the results in anonymous form only. For more information about this research project and data protection, please refer to: <http://www.promovierendenpanel.de>

I hereby consent to my above mentioned personal data being passed on to the iFQ:

yes no

- Publication of graduation

When you have successfully completed your doctorate, we would like to enter your data into the doctorate database of Leibniz Universität Hannover and publish the data on the Internet. The following data will be published: first name, surname, doctor's degree, title of thesis, faculty, institute – if applicable, scientific discipline, supervisor and date of doctoral certificate.

I hereby consent to my above mentioned data being entered into the public database:

yes no
